1st NICC Math Invitational

Schools that participated were Walthill, Bancroft-Rosalie, Santee, Omaha Nation, and Winnebago. Walthill students were chosen based on their MAP Math scores. The students representing Walthill were Kobe Moniz, Steven Turner, Roslyn Saunsoci, and Grayden Hallowell.

Visit our website at http://walthweb.esu1.org

On April 9th, the 4th & 5th graders will be going on a field trip to Lincoln, Ne. While there, they will visit the State Capital, participate in the Ag Sack Lunch Program sponsored by the Nebraska Soybean Board, Nebraska Pork Producers Association and the Nebraska Corn Board, as well as watch the State Legislature in session. The last stop will be a visit to Morrell Hall before heading back to Walthill.

Mrs. Stark

If you have students in grades 3-8 or 11th, the month of April will be keeping them busy with NeSA testing. NeSA testing is required for all students in 3rd through 8th grade, and 11th grade, that are educated in the state of Nebraska. Subjects tested are Reading and Math. Grades 5, 8 and 11 also take Science. The results from this test are what the Department of Education uses for the State of Schools Report, which is a "report card" of schools in Nebraska.

The Governance and Leadership team, a committee of Advanced Education, have been working hard this last month with putting together a Job Fair for employers and community members. This will be a great event where local employers from several nearby towns will be looking for people that need jobs. This will be for students over the ages of 14 as well as for adults. Our goal is to make sure that people in the Walthill area have employment and that they will find it easier to meet with employers at the school instead of driving around the area looking for work. We also want to let our students know about the various jobs they can be looking forward to when they graduate. Hopefully the event is well attended by community members and that we can make this a yearly event.

Child Find/Special Services:

The Walthill Public School requests your help in locating handicapped children. The Federal Handicapped Children's Act (PL 94-142) guarantees a free appropriate educational program for all children between the ages of 0 and 21 years of age. If you have a child, or know of any young person with special needs between 0-21 years of age that is not enrolled in an appropriate education program, please call 402-846-5432 or write to: Shannon Burgett, Walthill Public School, P O Box 3C, Walthill, NE 68067.

Walthill Job Fair

April 9th, 2015
4:00 p.m. - 6:00 p.m.
Walthill High School Gym

Library News

Congratulations Blujays! I don't know if anyone remembers, but in the October newsletter, I mentioned that 4 year-olds should be read 250 books before they reach Kindergarten. Well, as of last week, the Little Blujays have checked out 283 books from the school library since August. But wait, the really good news is that for the first time, the entire circulation for one year has topped 10,000 books by March 15th. High fives all the way around! Keep reading!

Thanks to all the family members and students who attended the Spring Book Fair. All profits went to getting new books for the library. Remember, in the words of Dr. Seuss, "The more you read, the more things you will know, the more that you learn, the more places you'll go."
