Veteran's Day Salute to the Military

Walthill School's AdvancED Resources and Support Committee (Standard 4), was in charge of this important day honoring our veterans' sacrifices, both past and present. Fortunately, Nancy Anderson was able to obtain a copy of the fallen veterans stretching back to the Civil War to use in our scrolling Wall of Honor, and students and staff added their military relatives and friends. Mike Grant graciously agreed to give the blessing prayer, sung the Umoⁿ hoⁿ Flag Song, and an Honor Song taught to him by his grandfather. There was also patriotic music provided by John Mangan and the Umoⁿ hoⁿ Nation High School Band. Fourth graders showed their appreciation with letters to the veterans, and the fifth grade performed a reader's theater tribute. The Culture class also handed out Veteran Gift Baskets from the student body that included notes of thanks.

We hope all our veterans and their families realize we will always remember their dedication, and sacrifice. Veterans, please join us every year to celebrate your courage. Thank you for accepting the call to patriotic duty. We'll honor you forever! We'll forget you never!

Homework Room

"I can focus, and I get work done" Alizeah Lovejoy, 12th grade, said about the Homework Room offered after school. Lovejoy laughed that she also, "loved the snacks, too."

For 7-12 students, there is an after school tutoring room. Any night there is Project for the elementary, 7-12 students are able to work in Miss Holtgrew's room from 3:45 to 5:15 pm. Snacks, beverages, and limited transportation are provided. Students can work on their homework, surf the Internet, or read a book. ACT prep and credit recovery classes are also available. Since the beginning of school, the program has been used nearly 180 times.

"I get all my work done," said Alisia Morris, 11th grade.

Hanging out with his friends is the reason Priest Morris, 7th grade, stays after school. Levi Grant, also a 7th grader, added he likes the place to stay until his folks are home from work.

For more information about the Homework Room, please contact the high school office or Project Director Mrs. Jill Anderson at 402-846-5432.

11th grader Savannah Sheridan writes a reading journal during Homework Room.

Parent Online with GoEdustar

Did you know that you can check your child's grades by logging onto Parent Online using your Computer or smart phone?

To get signed up, simply call the school and provide your email address for Parent Online. This is a great and simple way to stay connected to your child's academics!

Walthill Public School requests your help in locating children who may be in need of early intervention services or supports. Child Find is a component of the Individuals with Disabilities Education Act (IDEA) that requires states to identify, locate, and evaluate all children with disabilities, aged birth to 21, who are in need of early intervention or special education services. Please use the following developmental milestones as a guideline for assessing your child's development. If you are concerned about your child's development, or that of another child in the community, please contact Shannon Burgett at Walthill School at 402-846-5432, Ext. 120.

MAP (Measure of Academic Progress) Testing

begins December 1 for students in Kindergarten through 10th grade.

To ensure your student does their very best on the tests,
here are some helpful hints:

- *Get a good night sleep before the tests**
- *Eat a good breakfast the morning of tests (free at school!)**
- *All classroom work is completed, understood, and turned in**
- *Be to school on time, and do not get checked out**

For more information on MAP testing, and other State Assessment tests administered at WPS, visit our website at www.walthweb.esu1.org and select "Assessment Information" from the column on the left

SENIOR GAME PASSES

**Senior Game passes are available for seniors
65 years and older. Stop into the school office
to get yours today.**

(Pass is for home games only)

Winter Weather Information

During winter there will be some days when it is questionable whether to have school or not due to inclement weather. If possible, a decision about the next school day will be made by 9:00 p.m. for announcement during the 10:00 p.m. news. An early decision is not always possible because of uncertain weather conditions. School officials will make periodic assessments of conditions during the night and will decide early in the morning (by 6:30 a.m. if possible).

Occasionally, weather conditions will deteriorate during a school day to the point where early dismissals are necessary. We try to give a 1-hour notice prior to early dismissal, watch the stations listed below for an announcement.

The following is a list of where announcements about school closing, late start and early out can be heard:

Television

KTIV – Channel 4 – Sioux City
KCAU – Channel 9 – Sioux City
KMEG – Channel 14 – Sioux City

Radio

KMNS – 620 – Sioux City
KSCJ – 780 KHZ – AM – Norfolk
KTCH – 1590 AM – Wayne
KTIC – 840 AM – West Point

Walthill Public School also provides a service called “One Call”. This is an automated phone call to let you know of schedule changes, no school/early out announcements, etc. If you are not receiving these phone calls, please call Mr. Ross at 402-846-5432, to provide your phone number for this service.

During the winter months, all children are expected to go outside during recess unless it is raining or extremely cold (wind chill factor of 0 degrees or below) or a temperature below 20 degrees. During cold weather, students should be dressed warmly including hats, scarves, tennis shoes or boots and mittens. **No Shorts or Sandals.**

To all of our Student Athletes!

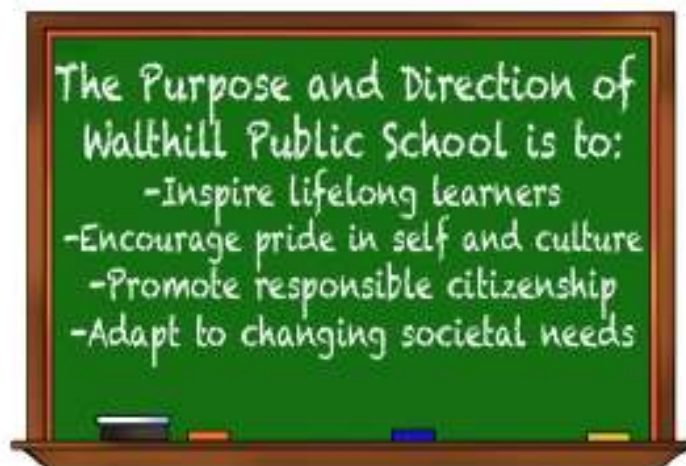

Walthill Public School is continually improving through our AdvancEd accreditation process. The Teaching and Learning Standard is committed to analyzing and improving our school's curriculum, instructional design, and assessment practice guide. We also report teacher effectiveness and student learning. We are fully accredited and we take pride in providing an education for your children. Student success is one of our highest priorities. We are thankful to the parents, guardians, and community who support our school. Challenges are met much easier because of the teamwork we have. Our school year is in full swing and classrooms are busy, meeting all Nebraska State Standards, which have been implemented in all core subjects. With your help, let's work together to turn all of our good things into great things!

Our team has been giving away baskets at the Parent's Night Football game. We will be giving away baskets for both Girls and Boys Basketball games. This will be given out during the Parent's Night Basketball games. Thank you for all of the support of our student athletes.

Congratulations to the participants in the One Act Play for placing 8th at Conference!

A BIG shout out to Galen Aldrich who received an Outstanding Actors Award

Mrs. Burcham's Second Grade

We are learning and doing lots of fun things this year! We took our annual field trip to Vala's Pumpkin Patch in October. We went on a train ride, watched pig races, went down a big slide and lots of other fun things; but everyone liked the haunted houses the best. We brought back pumpkins, estimated and counted seeds, and carved them. We then wrote stories that we shared at Author Share.

We all agreed that the Veteran's Day Celebration was nice.

In math we made cookies when we learned to measure and read a recipe. The cooks baked them for us and said we did an excellent job of mixing. They were very good.

We wrote Thanksgiving stories and in reading we read a story about a trash eating robot. Now we are making a trash eating robot for our classroom. The janitors will really like that! We changed our classroom and no longer have desks. We get to choose who we want to sit by each day. We are getting ready for the winter MAPS testing and Christmas will be here before we know it.

Our year is going fast.
