

Walthill Public School

February/March 2016 Newsletter

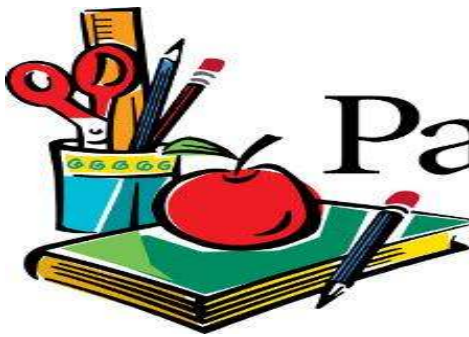

Congratulations to Trey Brown!

He has been selected to participate in the 2016 6-Man All Star Football Game being held in Albion, NE, on June 26th.

The game will be played against 6-Man players from Wyoming.

The Nebraska All Stars won last year's game that was held in Wyoming.

Parent-Teacher Conferences

February 11th

3pm-7pm

Mrs. Gomez's 1st Grade Class made

Reading is a Groovy Thing

That's the theme for our Winter/Spring Book Fair
from February 8th-February 15th.

Remember we are open every day until 4:00,
and during Parent Teacher Conferences until 7:00.

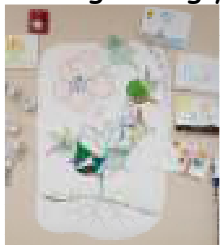

See you there!

High School Science News

Physics students have just completed their study of Newton's 1st and 2nd Laws of Motion. They are now beginning Newton's 3rd Law of Motion: Action - Reaction pairs. They will be doing different activities which demonstrate this law including building and launching different styles and types of rockets! Students will continue their mastery of Newton's 2nd Law in the form of the equation $F=ma$. Remember: Practice makes Perfect!

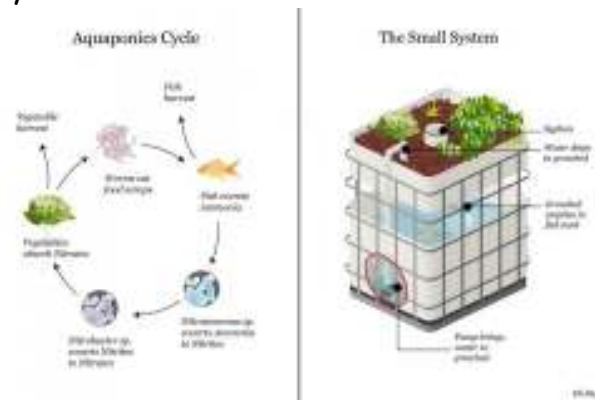

Biology students have been studying photosynthesis. We have been looking at the chemical reaction of photosynthesis, where this reaction occurs within the plant, and what the byproducts of the reaction are. They have just completed the light-dependent and light-independent portion of photosynthesis. We have looked at the Calvin Cycle and how it relates to the light reactions. This next week we will begin looking at glycolysis and cellular respiration.

Astronomy students are finishing up on the Life on Mars unit. Once we are done with that, we will be moving on to the study of the solar system in more detail. We will look at the formation of the planets in our solar system - their size, composition, relative location from

the Sun and orbital plane. We will talk about the "Goldilocks Zone" and review what it takes for life to survive on a planet. The students will do a variety of activities during the study of the solar system.

The astronomy students are still working on the Aquaponics project. They have their system set up and have plants growing! Their challenge now is to get the system balanced so that all parts are working together. Our biggest concern at this point is the plants are not getting enough light - the students will be constructing a framework from which they will attach grow lights to. The hope is that if the plants start to grow better, it will help to balance out the system.

Physical Science students have begun studying work - how the definition of work differs as it relates to physics. We will look at two different types of energy: Kinetic energy (energy of motion) and Potential energy (energy of position). We will also look at how energy relates to work. Students will do a variety of activities to demonstrate the concepts of work and energy.

Hot Wheels for MAPS

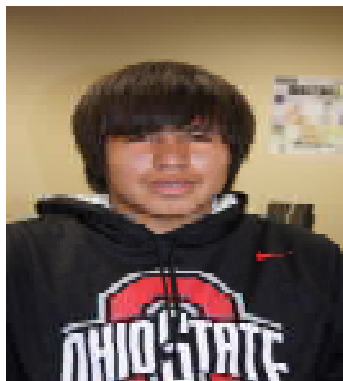

Every student, K-6, was issued a ticket for every point they increased their MAPS score from the previous year. At the completion of the MAPS testing we would choose 15 lucky winners. These winners were allowed to pick a Hot Wheels car from Mr. Evetovich's ultra-special collection.

Walthill Public School is continually improving through our AdvancEd accreditation process. The Teaching and Learning Standard is committed to analyzing and improving our school's curriculum, instructional design, and assessment practice guide. We also report teacher effectiveness and student learning. We are fully accredited and we take pride in providing an education for your children. Student success is one of our highest priorities. We are thankful to the parents, guardians, and community who support our school. Challenges are met much easier because of the teamwork we have. Our school year is in full swing and classrooms are busy, meeting all Nebraska State Standards, which have been implemented in all core subjects. With your help, let's work together to turn all of our good things into great things!

Our team has been giving away baskets at the Parent's Night Football game, and at the Parent's Volleyball games. We will be giving away baskets for both Girls and Boys Basketball games. This will be given out during the Parent's Night Basketball games. Thank you for all of the support of our student athletes.

KAYCEE P

What's your favorite movie? Hurricane Season.

Do you think there should be a senior ditch day? Yes I think so.

If you had three wishes, what would you wish for? Do high school All Over, Live Wealthy, and Be a Little Taller.

If you had one million dollars, what would you do? Take care my family.

What motto do you live by? Coming together is the beginning. Staying together is progress. Working together is success. Just like Walthill Basketball "I Refuse to LOSE!!!"

What are your future plans? Go To College and play Basketball or Baseball

Out of all four years in high school what year would you like to travel back to? Freshmen Year

Do you think being a senior is harder compared to the past years? No.

What is your favorite color? Turquoise and Purple

Do you prefer Nike or Jordan? Nike

Who is your favorite actor? Mike Epps

Do you have a favorite fruit? Orange

Which person did you grow the most with in high school? DeAndre and Kobe.

Advice to underclassmen? Stay in them Books and Play Sports.

What valuable lesson did you learn throughout school? Don't Slack in Class.

School activities? Basketball and Football

What is one thing you are grateful for? To Live Another Day.

What's your favorite movie? Breakfast Club

Do you think there should be a senior ditch day? Yes I think so

If you had three wishes, what would you wish for?

1. To be rich 2. To be taller 3. To have more wishes

If you had one million dollars what would you do?

Go to school, and buy my parents anything they want

What motto do you live by?

Hard work beats talent when talent fails to work hard

What are your future plans? Go to college

Out of all four years in high school what year would you like to travel back too? Freshman year

Do you think being a senior is harder compared to the past years? No it's easier

What is your favorite color? Red

Do you prefer Nike or Jordan? Nike

Who is your favorite actor? Mark Wahlberg

Do you have a favorite fruit? Pineapple

Which person did you grow the most with in high school? Ryan Stansberry

Advice for underclassmen? Get your work done, and senior year will be a breeze

What valuable lesson did you learn throughout school? Not to fall behind in school

Who is your favorite music artist? Kanye West

School Activities? Basketball, and Football

What is one thing you are grateful for? My mother

KYLE

What's your favorite movie? Finding Nemo
Do you think there should be a senior ditch day? Yes
If you had three wishes, what would you wish for?
A long life, a house, and more land
If you had one million dollars what would you do? Help my tribe
What motto do you live by? Live everyday like it's your last
What are your future plans? Taking life day by day...
Out of all four years in high school what year would you like to travel back too? Sophomore
Do you think being a senior is harder compared to the past years?
No
What is your favorite color? Purple

Do you prefer Nike or Jordan? Nike
Who is your favorite actor? Will Ferrell
Do you have a favorite fruit? Cherry
Advice for underclassmen? Stay book smart
What valuable lesson did you learn throughout school? Never slack
Who is your favorite music artist? Dibia\$e
School Activities? Learning
What is one thing you are grateful for? Life

Heaven

What's your favorite movie? IDK
Do you think there should be a senior ditch day? Yes
If you had three wishes, what would you wish for? Money, a car, and a house.
If you had one million dollars what would you do? Save it so Liam could go to college.
What motto do you live by? IDK.
What are your future plans? To finish high school and have my own house and car.
Out of all four years of high school what year would you like to travel back to? Freshmen year.
Do you think being a senior is harder compared to the past years? Yes.
What's your favorite color? Red, Purple, Pink, Lime Green.
Do you prefer Nike or Jordan? Jordan.
Who's your favorite actor? IDK.
Do you have a favorite fruit? Strawberries.

Which person did you grow most with in high school? Shanna.
Advice for underclassmen? Get your work done on time because it's hard to get caught up.
What valuable lesson did you learn throughout school? Missing class and school is a very bad idea.
Who is your favorite music artist? IDK.
School activities? Volleyball.
What is one thing you are grateful for? My family always by my side and never leaving me when things get hard.
