

Walthill Public School
Teacher Handbook

Rules and Regulations
2016-2017

INTRODUCTION

This handbook provides information to persons who are employed by the school district and are referred to in this handbook as employees, staff, or staff members. It is designed to provide practical information about the daily operation of the schools in the district and contains building and district directories, safety and emergency information, as well as district policies and procedures. Each staff member should carefully review this handbook. The administration and the board of education continually review policies and procedures, so staff members should discuss comments, concerns or suggestions about this handbook with their building principal or another member of the administrative staff.

This handbook does not create a "contract" of employment. Staff positions and assignments that do not require a teaching certificate or are not otherwise governed by the teacher tenure laws may be ended or changed on an at-will basis notwithstanding anything in this handbook or any other publication or statement, except a contract approved by the board of education.

Many situations may arise that are not covered by this handbook. In those instances, staff members should use their own good judgment or consult with the administration. If any information contained in this handbook conflicts with board policy or state statute, the policy or statute will govern.

The provisions in this handbook are subject to change at the sole discretion of the Superintendent and the Board of Education. From time to time, you may receive updated information concerning changes in the handbook. These updates should be kept within the handbook so that all procedures can be kept up to date. If you have any questions regarding this handbook, please ask your supervisor or the Superintendent for assistance.

Your suggestions about ways to improve the school are welcome and will always be considered.

NONDISCRIMINATION IN EDUCATION PROGRAMS AND ACTIVITIES

This school district does not discriminate on the basis of race, color, religion, national origin, sex, marital status, disability, military or veteran status, or age or in admission or access to, or treatment of employment, in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Any person having inquiries concerning this school district's compliance with the regulations implementing Title VI, Title IX, or Section 504 is directed to contact Principal Mark Evetovich in writing at Walthill Public School, Walthill, NE 68067 or by telephone at (402) 846-5432. For further assistance, you may also contact Office for Civil Rights (Kansas City Office), U.S. Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114-3302, Telephone: 816-268-0550, FAX: 816-823-1404;TDD:877-521-2172, Email:OCR.KansasCity@ed.gov.

DRUG-FREE WORKPLACE REQUIREMENTS

The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance during working hours is prohibited by personnel of the school district. The use of such substances by the personnel of the school district during working hours poses a danger to the students and other school personnel.

Prohibited drug activity on school premises or at any school-sponsored activity or event shall include engaging in the unlawful possession, selling or dispensing of look-alike drugs, controlled substances or alcoholic liquor. Look-alike drugs are those drugs which are not controlled substances but are represented as such, including chemicals which elicit the same effect such as K2 or spice. Personnel who are guilty of drug abuse violations in the workplace shall be given a list of agencies for drug counseling and rehabilitation. Employees of the school district shall have appropriate personnel action taken against them, up to and including immediate cancellation of their employment, in the event of drug use, as defined herein, on school premises or at any school-sponsored activity or event.

Each employee of the school district shall have available to them a copy of this policy relating to a drug-free work environment. It shall be a condition of employment with the district that all employees abide by the terms of this policy. Any employee of the school district shall notify the administration of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction. Within 30 days of receiving notice from an employee of the school district who has been convicted of any criminal drug statute occurring in the workplace, appropriate personnel action against such employee, up to and including termination, or requiring such employee, at the employee's expense, to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency, shall occur.

The purpose of this policy is to prohibit the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance by any employee of the school district during that employee's working hours or while that employee is on duty. Accordingly, the term "workplace" includes every location where a school district employee may be found during his or her working hours or while he or she is on duty, whether or not such location is on school district property or within the geographic limits of the school district.

Board Policies

The board of education has adopted policies that govern the operation of the school district. A complete policy manual is available on the district's website or in the main administrative office. These manuals will be updated as the board adopts new policies or modifies existing policies. In particular, the 4000 series deals with policies that affect personnel.

Child Abuse

School employees who have reasonable cause to believe that a child has been subjected to child abuse or neglect or observe a child being subjected to conditions or circumstances which reasonably would result in child abuse or neglect will report the suspected abuse or neglect according to the following procedure.

1. Any school employee who has reasonable cause to believe that a child has been abused or neglected shall report the suspicion to the building principal immediately.
2. The principal and the school nurse and/or the school guidance counselor shall, whenever possible, investigate the concern within 24 hours of receiving the initial report. The school staff shall endeavor to conduct this investigation in a manner that does not interfere with any current or future investigation by law enforcement. When the principal determines that a report should be made through the district, he or she shall make a report to the office of social services or law enforcement. The principal shall inform the employee(s) who made the initial report whether he or she has made a report to the office of social services or law enforcement. If no such report has been made, the employee(s) shall file such a report if he, she or they have reasonable cause to

believe that a child has been abused or neglected.

3. Any doubt or question in reporting such cases shall be resolved in the favor of reporting the suspected abuse or neglect. Consultation between the administrator and school employee is encouraged, keeping in mind that prompt reporting is essential.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to board members, patrons, students and school staff, unless the staff member is subject to a different grievance procedure pursuant to policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems. When such efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth below:

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant believes speaking directly to the person would subject complainant to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, Title IX/504 coordinator, superintendent of schools, or president of the board of education, as set forth below.
 - a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.
 - c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d) Complaints involving discrimination or harassment on the basis of race, color, national origin, gender, marital status, disability, or age may also be submitted, at any time during the complaint procedure to the School District's Title IX/504 coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S.

Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.

3. When a complainant submits a complaint to an administrator or to the Title IX/504 coordinator, the administrator or Title IX/504 coordinator shall promptly and thoroughly investigate the complaint, and shall:
 - a) Determine whether the complainant has discussed the matter with the staff member involved.
 - 1) If the complainant has not, the administrator or Title IX/504 coordinator will urge the complainant to discuss the matter directly with that staff member, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the staff member, the administrator or Title IX/504 coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b) Strongly encourage the complainant to reduce his or her concerns to writing.
 - c) Interview the complainant to determine:
 - 1) All relevant details of the complaint;
 - 2) All witnesses and documents which the complainant believes support the complaint;
 - 3) The action or solution which the complainant seeks.
 - d) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the administrator or Title IX/504 coordinator received the complaint.
4. A complainant who is not satisfied with the administrator's or the Title IX/504 coordinator's decision regarding a complaint may appeal the decision to the superintendent.
 - a) This appeal must be in writing.
 - b) This appeal must be received by the superintendent no later than ten (10) business days from the date the administrator or Title

IX/504 coordinator communicated his/her decision to the complainant.

- c) The superintendent will investigate as he or she deems appropriate. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d) Upon completion of this investigation, the superintendent will inform the complainant in writing of his or her decision. If the complaint involved discrimination or harassment, the superintendent shall submit the decision within 180 days after the superintendent received complainant's written appeal.
5. A complainant who is not satisfied with the superintendent's decision regarding a complaint may appeal the decision to the board.
- a) This appeal must be in writing.
 - b) This appeal must be received by the board president no later than ten (10) business days from the date the superintendent communicated his/her decision to the complainant.
 - c) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d) The board will notify the complainant in writing of its decision. If the complaint involved discrimination or harassment, the board shall submit its decision within 180 days after it received complainant's written appeal.
 - e) There is no appeal from a decision of the board.
6. When a formal complaint about the superintendent of schools has been filed with the president of the board, the president shall promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the superintendent.
 - 1) If the complainant has not, the board president will urge the complainant to discuss the matter directly with the superintendent, if appropriate.

- 2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should be pursued further.
- b) Strongly encourage the complainant to reduce his or her concerns to writing.
- c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting.
- d) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the president received the complaint.

The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Computers and the Internet: Acceptable Use by Staff

Internet access is an important tool for keeping up to date with current education issues, for conducting personal research to enhance management, teaching and learning skills, and as a means of communication. The following procedures and guidelines are intended to ensure appropriate use of the Internet by the school's faculty and staff.

1. Acceptable Use

- a) Staff may use the Internet to conduct research for instructional purposes.
- b) Staff may use the Internet for school-related e-mail communication with fellow educators, parents and patrons.
- c) Staff may use the Internet for any other use which serves a legitimate educational purpose.
- d) Classroom teachers are encouraged to integrate the use of electronic resources into the classroom. However, teachers are cautioned that the quality and integrity of content on the Internet is not guaranteed. Teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

2. Unacceptable Use

- a) Staff shall not access material that is obscene or pornographic.
- b) Staff shall not engage in any illegal activities on school computers, including the downloading and copying of copyrighted materials.

- c) Staff may only use district google chat rooms.
- d) Staff shall not use school computers to participate in on-line auctions, on-line gaming or mp3 sharing systems. Staff shall not access social networking sites such as Facebook, MySpace and Twitter on school computers or during school time unless such access is for an educational activity which has been preapproved by the staff member's immediate supervisor.
- e) The only political advocacy allowed by staff shall be lobbying via e-mail on educational-related issues. Before engaging in this sort of activity, staff must obtain the express written consent of the superintendent or his designee.
- f) Staff shall not publish web pages that are not approved by the school district. Any web page published by staff members must be linked to the school's website. Staff is cautioned that publication of student work or personality-identifiable student information on the Internet may violate the Federal Education Records Privacy Act. Staff must obtain the written consent of the superintendent or his designee prior to posting any student-related information on the Internet.
- g) Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

3. **Methods of Enforcement**

- a) The school district monitors all e-mail and other Internet communications, as well as Internet usage and patterns of Internet usage. The school district owns the computer system, and staff members have no right of privacy to any Internet communications or other electronic files. As with any school property, electronic files on the system are subject to search and inspection at any time.
- b) The school district uses a technology protection measure that blocks access to some sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
- c) Due to the nature of filtering technology, the filter may at times filter pages that are appropriate for staff research. The system administrator may override the technology protection measure that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.
- d) School officials will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

4. **Violations**

Staff members who violate the school policy or rules regarding computer and Internet usage face:

- a) Cancellation, non-renewal or termination of employment;
- b) The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member; and
- c) Other discipline that the school administration and/or the school board deem appropriate.

When appropriate, law enforcement agencies may be involved in investigating and prosecuting wrongdoing by a staff member.

Contact Information

Staff are required to keep the district informed of any change in their name, address, telephone or other contact information. Contact the building secretary to report a change.

Copyright and Fair Use

The school district complies with federal copyright laws. Staff members must comply with copyright laws when using school equipment or working on behalf of the district. Federal law prohibits the unauthorized reproduction of works of authorship, regardless of the medium in which they were created.

The "fair use" doctrine allows limited reproduction of copyrighted works for educational and research purposes. "Fair use" of a copyrighted work includes reproduction for purposes such as criticism, news reporting, teaching (including multiple copies for classroom use), scholarship or research. Staff who are unsure whether their proposed reproduction of copyrighted material constitutes "fair use" should consult with their building principal.

Corporal Punishment

Corporal punishment is the infliction of bodily pain as a penalty for disapproved behavior, and is prohibited by law. Some physical contact is inevitable, and most of it is appropriate. Corporal punishment does not include the use of physical force that is reasonable and necessary to (1) protect school employees; (2) protect students or property; or (3) remove a student from a situation that endangers the student, persons or property. Staff members should promptly report any event that required the use of physical force to their building principal.

Crisis Response Team

Any staff member appointed by the district administration will serve on the Crisis Response Team as outlined in the board policies. The Crisis Response Team serves a vital role in supporting the district's staff and students. It is the responsibility of the appointed staff member to discuss with the district administration any reasons which may affect the staff member's ability to perform the tasks required by board policy.

Disability Leave (Short-Term)

Short-term disability leave will be treated in the manner required by state and federal law and consistent with the negotiated agreement with the school district's local education association. Short-Term Disability leave will run concurrently with FMLA leave.

Discrimination and Harassment

The school district prohibits discrimination and harassment based upon or related to race, color, national origin, sex, religion, marital status, disability, age or any other unlawful basis that (1) has the purpose or effect of creating an intimidating, hostile, or offensive school environment, (2) has the purpose or effect of substantially or unreasonably interfering with an employee's school performance, or (3) otherwise adversely affects an employee's employment opportunities. Employees who believe that they have been the subject of unlawful discrimination or harassment due to their disability should contact the following Section 504 Coordinator: Tara Kramer at 402-846-5432 (phone number), tkramer@walthillschool.org (e-mail address) or in person at school. Employees who believe that they have been the subject of unlawful discrimination or harassment due to their sex should contact the following Title IX Coordinator: Principal Mark Evetovich at 402-846-5432, mevetovich@walthillschool.org or in person at school. Employees who believe that they have been the subject of any other unlawful discrimination or harassment should contact the Superintendent, Ed Stansberry at 402-846-5432, estansberry@walthillschool.org or in person at school. Employees may report discrimination or harassment to any staff member who will then forward it on to the appropriate coordinator or administrator. The staff member will follow school district policies to respond to the report.

Drug Testing of Drivers

Drivers for the school district must be free from drug and alcohol use or abuse. The Walthill Public School district will test drivers as permitted under state and federal law and in accordance with board policy.

Dress Code

Staff should dress in a manner that reflects the honorable profession of education. Certified staff should generally dress in business casual attire.

The attire worn by staff members projects an important image to students and the general public.

Classroom staff **may not** wear the following types of clothing during the traditional school day from 7:40 a.m. to 4:00 p.m. when students or visitors are in attendance or when the employee is supervising, directing or coaching students when the public is in attendance:

- Sweat, jogging and wind suits, except when teaching a physical education activity in the gymnasium or on a playing field.
- Shorts, except when teaching physical education class or at athletic or other activity practices.
- Blue jeans, except at athletic or other activity practices.
- Any clothing which creates modesty difficulties for the employee or distracts other employees or students in the learning environment.

The building principal may temporarily suspend all or a portion of the dress code in the event other factors support a lower dress expectation for school employees.

The appearance of professional staff members shall be appropriate to their assigned duties and indicative of their professional standing in the school and community. To help meet that end, jeans of any color will not be allowed to be worn except on Friday which is considered a "dress down" day. Casual dress is acceptable.

Staff **may not** wear visible body piercing jewelry, including tongue adornment, while at school or during a school function on or off school premises. This prohibition applies to all parts of the body other than the ear.

Electronic Communication While Driving

Except as provided below, school personnel shall not use any electronic communication device to read a written communication, manually type a written communication, send a written communication, verbally communicate with others, or otherwise communicate with others while operating a school vehicle or while using a school-issued electronic communication device while operating a private vehicle. This prohibition includes but is not limited to answering or making

telephone calls, engaging in telephone conversations, and reading or responding to e-mails, instant messages, or text messages.

The superintendent or building principal may grant exceptions and allow verbal communication on an as needed basis for specific district-related worked based upon employees' duties and responsibilities.

Employee Assistance Program (EAP)

The school district recognizes that its staff may need some help at times in dealing with personal difficulties and that problems in their personal lives can affect their job performance. To help staff face and deal with personal difficulties, the district offers an Employee Assistance Program through BlueCross BlueShield Educator's Health Alliance. This voluntary, cost-free program is intended to assist staff in obtaining help to resolve problems in a confidential manner. However, staff must remember that they bear the responsibility to seek assistance and to resolve the problem.

The Employee Assistance Program can address a wide range of problems. Family, marital, legal, medical, drug and emotional problems are all covered, although some limitations do apply. All full-time staff are eligible to participate in the Program at no cost to the employee.

BlueCross BlueShield Employee Assistance Program programs provide confidential, short-term counseling for staff, their dependents and household members at no cost.

Expenses

The board of education will reimburse staff for all approved expenses incurred in attending to school business. Reimbursement for mileage, supplies, overnight travel expense and credit course reimbursement fees are processed on an expense report form that is available from the business manager. Appropriate receipts must be attached.

To be reimbursed for an item or for personal car use, staff members must complete a reimbursement claim form, attach receipts and submit it to the Superintendent for approval.

All claims for reimbursement must be approved by the board, so some delay is probable. Mileage reimbursement will be denied if a school vehicle was available.

Family and Medical Leave (FMLA)

Qualified employees will be provided leave under the Family and Medical Leave Act (FMLA) as provided in board policy.

In-School Communication

Every staff member will be assigned a mailbox in the building where he or she works. Staff are expected to check their mailboxes for messages in the morning upon arrival at school, at lunch time, and at the end of the day before departing.

A great deal of information is distributed to staff via the school's e-mail system. Each staff member must check his or her e-mail account frequently throughout the school day. Staff are allowed to use their school e-mail accounts for a moderate amount of personal e-mail correspondence. However, sending or receiving personal e-mail during class time is prohibited, regardless of whether that personal e-mail is received on the staff member's school e-mail account or a personal account.

Intellectual Property

All written or artistic works, instructional materials, inventions, procedures, ideas, innovations, systems, programs, or other work product created or developed by any employee in the course and scope of performance of his or her employment duties on behalf of the district, whether published or not, shall be the exclusive property of the district. The district has the sole right to sell, license, assign, or transfer any and all right, title, or interest in and to such property

Jury and Witness Duty Leave

An employee who has been called to serve as a juror will be granted paid leave. Employees must sign over to the district the compensation they receive for jury duty, but not compensation for expenses.

An employee who has been subpoenaed to testify as a witness in a court proceeding shall be entitled to one day of paid leave. To receive paid leave, the employee must sign over to the district his or her witness fee.

Keys

Staff will not lend or have any duplicate keys made of any school key. Staff will make sure all doors are locked when they enter or leave the building other than regular school hours and are responsible for setting the security system

after hours.

Staff members are responsible at all times for all keys issued to them and must keep their keys in a secure location or on the employee's person. Each classroom teacher must check that the doors and windows in his or her room are closed and locked at the end of the school day. Staff must report lost or stolen keys to the building principal immediately.

Maintenance & Cleaning Request Forms

Staff members should fill out maintenance requests forms just as soon as they need or see a maintenance problem. These forms must be turned into the Principal and Head Custodian.

Meals Program

Staff will receive free lunches according to their contracts. Breakfast will be charged at the district rate.

Military Leaves of Absence

Leaves of absence without pay for military or Reserve duty are granted to all employees as required by law. An employee who is called to active military duty or to Reserve or National Guard training or who volunteers for the same should submit copies of the military orders to the Superintendent as soon as is practicable. An administrator, at his or her discretion, may require an employee who requests leave under the Nebraska Family Military Leave Act to provide certification from the proper military authority to verify the employee's eligibility for the leave requested.

Military Leave under the Federal Family and Medical Leave Act (FMLA) will be governed by the FMLA and the board's policy regarding the FMLA.

Milk Expression

The district will provide reasonable break time for an employee who wishes to express breast milk for her nursing child in a place, other than a bathroom, which is shielded from view and free from intrusion from co-workers and the public for one year after the child's birth.

News and Press Releases

Positive media coverage of the school district and its activities is good for the school, its staff, and its students. Staff should endeavor to establish and maintain cordial relationships with local media outlets.

Activity sponsors and other staff who are involved in newsworthy activity should submit typed press releases to the office for distribution to the media when noteworthy events have occurred. Coaches must communicate with local TV, radio and print media promptly after matches or games to disseminate the results.

Communicating our schools to the public, keeping the public informed, and public relations with the community is one of our important tasks. News of important and/or interesting events and activities are usually welcomed by the newspapers.

Newsletters

The district secretary will inform staff of the relevant deadlines for each newsletter. Staff members are encouraged to submit articles for the newsletter which report recent classroom activities and which emphasize positive aspects of the district's mission.

Outside Employment

No full-time staff member may accept any other employment or carry on any business or activity for profit that interferes with the complete discharge of his or her responsibilities to the school district.

Personal Vehicles

Staff members who drive school vehicles or volunteer to use their personal automobile to transport students must have a valid driver's license and proof of insurance. Staff members will be provided a Driver's Certification form to verify this information. Staff members who drive school vehicles or transport students in their personal vehicles are responsible for following safe driving practices, including use of seat belts by all occupants, and are responsible for any injury or accident. Staff members are not to use cell phones while driving a school vehicle or while transporting students.

Political Activities

District employees retain all rights of citizenship, including, but not limited to, engaging in political activities. An employee of the District may participate in the political process, including seeking an elective office, provided that the staff member does not campaign on school property during working hours, and provided all other legal requirements are met. The District assumes no obligation beyond making such opportunities available.

While the District supports its employees by allowing them to exercise their rights, any impact on the employee's ability to perform his or her functions as required by the district is grounds for discipline. For further guidance regarding political conduct on school grounds, contact the superintendent and consult the board policies.

Professional Boundaries Between Staff and Students

All district employees must follow board policy when interacting with students in any way. School district employees are responsible for conducting themselves professionally and for teaching and modeling high standards of behavior and civic values, both at and away from school. District employees must be aware of professional boundaries between students and staff, and they must never blur the boundaries. These standards of behavior apply to social networking sites, such as Facebook, Twitter, Instagram, etc., along with communications and interactions of any kind between staff and students.

Examples of unprofessional misconduct include: inappropriate sexual communications or interactions with students, meeting with students in private outside of school, and intruding on a student's personal space. These are a few examples of inappropriate behavior, not an exhaustive list. For further guidance, refer to the district's policies regarding professionalism and staff-student interactions.

Any teacher or student who witnesses or knows information about a district employee violating board policy should report the violation to the district administration *immediately*. Minor violations and questionable violations should be reported within 24 hours.

A violation of board policies for professionalism will form the basis for employee discipline up to and including termination or cancellation of employment, filing a report with law enforcement officials, and filing a report with the Commissioner of Education.

Professional Growth

All employees must complete administrative required professional development trainings and shall be provided opportunities for the development of increased competence beyond that which they may attain through the performance of their assigned duties.

In addition to this requirement, the superintendent will select in-service programming to provide additional professional growth activities for certified and classified staff.

Purchasing

All requisitions for books and school supplies must be filed with the building principal. The requisition must include the name of the article being requested, where it may be purchased, how many articles are required and their cost. Requisition forms are available from the office. Orders should not be placed until the district office has issued a printed purchase order. Once an order has been received, the staff member must notify the building secretary so payment can be processed. Failure to follow the procedure for requisitions may prevent the staff member from receiving the items requisitioned. All orders or supplies must be authorized by the administration. Staff may be personally liable for any orders placed without such authorization.

When routine supplies are needed for immediate use, staff should contact the building secretary. When it is necessary to make a special or emergency requisition for supplies or equipment, staff should contact the principal for the necessary forms. The superintendent will either approve or disapprove the request through the principal.

Records and Reports

All staff members shall promptly furnish the administration with any information relating to their professional training, experience, activities or work required for reports to county, state or federal officials or for official school records. Personal information will be treated confidentially by school officials.

School Calendar

The official school calendar is maintained in each building office. All activities and events must be scheduled and approved by the building principal. To avoid conflict, a sponsor should not call a meeting of any activity until the schedule has been checked and the meeting approved by the office.

School Property

School property is not to be lent to individuals except by permission of the superintendent.

Staff or groups who wish to use school facilities should make requests to the building principal as early as possible so that they may be placed on the school calendar.

Staff must inform the building principal of any school property that needs repair or that is lost, stolen, or damaged beyond repair. Matters regarding

custodial service in the building should be handled through the principal's office.

Security

Each staff member is responsible for the security of his/her own classroom or work area. Staff must lock the doors and windows of their classrooms and/or other work areas each night.

Staff members who use the building after it has been locked by the custodian or on weekends, are responsible for turning off all lights and locking all windows and doors that they or students under their supervision may have used.

Under no circumstances are pupils to be allowed in the building after school hours without faculty supervision. Keys to any school areas are not to be loaned to students under any circumstances.

Smoking on School Premises or at School Activities

Smoking, including the use of vapor products, alternative nicotine products, or any other such look-alike product, is permitted on school property only in specifically designated areas.

Solicitation and Distribution of Merchandise

In the interest of maintaining a proper school environment and preventing interference school purposes, employees may not sell merchandise, solicit financial contributions, solicit, or distribute literature or printed material for any non-school related cause during working time or on school grounds except as approved by the administration.

Staff Room

The staff room is maintained for the exclusive use and convenience of the staff. It is not for student use and staff members should not hold student conferences there. Each staff member will assume responsibility in keeping the staff room in an orderly and presentable condition.

Student Interviews

Employees shall refer any police officer, child protective service worker, or other similar individual seeking to speak to or interview a student to an administrator.

Telephones

School Telephones are maintained for the primary purpose of conducting school business. Staff members should limit their use of school phones to brief conversations. Teachers will not be called to the telephone during class time except in the case of an emergency.

Staff members may not use personal cell phones to make or receive calls or to send or receive text messages during instructional time.

Threat Assessment and Response

The board of education is committed to providing a safe environment for members of the school community. Students, staff and patrons are urged to immediately report any statements or behavior that makes the observer fearful or uncomfortable about the safety of the school environment.

1. Obligation to Report threatening Statements or Behaviors.

All staff and students must report any threatening statements or behavior to a member of the administration. Staff and students must make such report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

2. Threat Assessment Investigation and Response

All reports of violent, threatening, stalking or other behavior or statements which could be interpreted as posing a threat to school safety will immediately be forwarded to the superintendent. Upon receipt of an initial report of any threat, the superintendent will take steps to verify the information, make an initial assessment, and document any decision involving further action. This investigation may include interviews with the person who made the statement(s) or engaged in the behavior of concern, interviews with teachers and other staff members who may have information about the individual of concern, interviews with the target(s) of the threatening statements or behavior, interviews of family members, physical searches of the individual of concern's person, possessions, and home (as allowed by law and in cooperation with law enforcement), and any other investigatory methods that the superintendent determines to be reasonable and useful.

At the conclusion of the investigation, the superintendent will determine what, if any, response to the threat is appropriate. The superintendent is authorized to disclose the results of his/her investigation to law enforcement and to the target(s) of any threatened acts. The superintendent may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or, if appropriate, report the results of his/her investigation to the student's individualized education plan team.

3. Communication with the Public about Reported Threats

To the extent possible, the team will keep members of the school community informed about possible threats and about the team's response to those threats. This communication may include oral announcements, written communication sent home with students, and communication through print or broadcast media. However, the team will not reveal the identity of the individual of concern or of any target(s) of threatened violence if that individual is a minor.

Ticket Taking

All Teachers will be expected to take tickets at one time or another assigned by administration. Staff members who coach a sport may take tickets at an event they do not coach. Staff members who are unavailable to take tickets at the event they are assigned to work must find their own replacements and notify the building principal of another date to fulfill.

Transportation Request Forms

Staff members must complete transportation request forms as soon as they know they need school-provided transportation to allow the activities director adequate time to schedule drivers and vehicles.

Visitors

Staff should welcome members of the public who wish to visit school, but should insure that visitors follow the district's requirements.

All visitors must report to the building office before visiting any classroom or other areas of the building.

Visitors must comply with the following guidelines:

- if a visitor wishes to observe a specific skill or subject, he or she will be asked to observe during a specified time period
- children under the age of 10 years must be accompanied by a parent or guardian
- all visitors must have the prior approval of the principal or superintendent

- sales people and other such agents will not be allowed to solicit staff members during school hours.
- Visitors are requested wear the visitor's badge supplied by the building office.

Wage and Salary Payments

Staff members are paid on the 20 of each month. The district provides direct deposit of paychecks to designated financial institutions. Otherwise, paychecks will be delivered personally at school or mailed to the address on file in the district office. Staff who wish to activate or modify their direct deposits or who wish to have paychecks mailed to a different address must contact the district office. The school district will mail staff paychecks to the last address on file for each employee during months when school is not in session. Employees shall not be paid in advance under any circumstances.

All required deductions, such as for federal, state, and local taxes, retirement contributions, and all authorized voluntary deductions, such as for insurance or union dues, will be withheld automatically from your paychecks. Garnishments are legal proceedings imposed by a court of law upon the school district requiring payment to a third party of monies earned by district employees. The school district will accept all legal garnishments and tax levies against wages in compliance with state and federal law. An employee's pay will be held upon receipt of a garnishment until a court order is issued indicating satisfaction of the indebtedness or until ordered to surrender the monies to the court or its agent. The school district prohibits improper pay deductions, and employees shall be reimbursed for any improper pay deductions. If you believe that an improper deduction has been made to your pay, you should immediately report this information to your direct supervisor, payroll personnel, or the Superintendent.

Staff members, by their signature on the acknowledgement page of this handbook, authorize the school district to withhold such sums from their paychecks as necessary to cover property damage, cash shortages or other amounts owed to the school district by the employee.

Weather-Related Closings

If school is called off because of bad weather or for any other reason, it will be announced on One Call and Channel 4.

Parents may decide to keep their children at home in inclement weather because of personal circumstances. Students absent because of severe weather when school is in session will be marked absent. Staff members should treat the absence like any other absence for legitimate causes provided

parents properly notify the school of their decision. Parents may pick up their children in inclement weather (except in case of a tornado) at any time during the school day. Students will not normally be dismissed from school during severe weather on the basis of a telephone request.

Workplace Searches

To safeguard the property and interests of our students, employees, and patrons; to help prevent the possession, sale, and use of illegal drugs on school grounds, and in keeping with the spirit and intent of the district's drug-free workplace policy and other policies, the school district reserves the right to question employees and all other persons entering and leaving our premises, and to inspect any packages, parcels, purses, handbags, briefcases, lunch boxes, or any other possessions or articles carried to and from school when it has reasonable grounds to do so. The school also reserves the right to search any employee's office, desk, files, locker, or any other area or article on school grounds. All offices, desks, files, lockers, and so forth, are school district property and are issued or provided for the use of employees only during their employment with the district. Inspections may be conducted at any time at the discretion of the administration. Employees who refuse to cooperate with this provision will be subject to disciplinary action up to and including discharge.

POLICIES AND PROCEDURES REGARDING CERTIFIED STAFF

Absences

The accumulation of leave for teaching staff is governed by the Negotiated Agreement between the Board of Education and the Education Association. This handbook sets forth the process for using that leave

1. Sick Leave

Certified staff members who are too ill to perform their teaching duties must contact their building principal before 6:00 a.m.

2. Personal Leave

Certified staff who wish to take personal leave must submit a leave request to their building principal at least two days in advance of the proposed leave. Building principals may deny personal leave requests if the school district is unable to secure the services of a qualified substitute teacher on the day of the proposed leave. Staff members may not take personal leave adjacent to a school break. For example, if school is not in session on a Monday, certified staff may not take personal leave the preceding Friday or following Tuesday unless approved by administration.

3. Professional Leave

The board and administration recognize the value of continuing education and encourage certified staff to participate in seminars, workshops and other activities which will continue their professional growth. Certified staff members who wish to take professional leave must submit a leave request to their building principal, along with a description of the proposed event and any written materials about the event. Building principals may deny requests for professional leave if they are unable to secure the services of a qualified substitute or if the principal determines that the activity will not enhance the certified staff member's effectiveness as an employee of the district. Certified staff members who feel they have been unfairly denied professional leave may grieve the principal's decision, pursuant to the grievance procedure contained in the district's Negotiated Agreement.

4. Substitute Folders

Each teacher must prepare a substitute folder and keep the completed folder in the upper right-hand drawer of his/her desk. The folder must

contain:

- a.) the current seating chart for each class;
- b.) the daily routine followed by each class;
- c.) all schedules (fire drill procedures, lunch schedule, etc.);
- d.) a copy of this handbook; and
- e.) plans for the day if the teacher's absence was anticipated. (These plans are in addition to the teacher's regular lesson plan book.)

Certified staff members may not make arrangements for their own substitute.

Assemblies

Classroom teachers must attend assemblies and pep rallies and sit with students to help maintain order.

All certified staff members should attend school assemblies and should try to attend as many of the school functions as possible regardless of whether they have specific assigned duties or not.

Assignment of Teachers

The administration will assign certified staff to individual duties. Certified staff will also be assigned for various forms of hall, extracurricular, recess, traffic, lunch period and other noontime duties, and athletic events.

Certificates, Teacher Contracts, Salary Information

Teaching certificates must be registered with the Superintendent before they may legally be paid. It is the certified staff member's responsibility to make sure this is done.

Each certified staff member must provide the superintendent's office with the following information:

- a. social security number,
- b. retirement number,
- c. withholding form W-4, and
- d. authorization to withhold for insurance benefits.

Each new certified staff member must fill out forms for retirement benefits before the first pay day as well as the family coverage of the district hospital/medical insurance program.

It is the sole responsibility of the certified staff member to inform the

superintendent of any changes, including but not limited to changes in certification, endorsements, benefits plans, and salary payment information.

Check-out Forms

All certified staff must complete a check-out form and obtain the building principal's signature on the form prior to departing for the summer. Classrooms must be tidy to allow the custodial staff to clean classrooms and work areas. Certified staff members who do not clean their work area before departing for the summer will not receive their paychecks until the work is completed.

Class Record Books

A class record book is the school's official record of matters relating to each student in each teacher's class. It may be maintained in paper or electronic form and must be complete in scope and accurately maintained. All classroom teachers are required to keep class record books which list students in each class in alphabetical order and show the attendance and all grades earned by each student. At the end of each school year, classroom teachers must turn their record books into the building office. Record books are subject to examination by the building principal or superintendent at any time.

Classroom Management and Student Discipline

Classroom discipline is first and foremost the responsibility of the classroom teacher. Individual teachers are expected to assume responsibility for good discipline throughout the school system. However, if a certified staff member needs assistance with student discipline, they should seek the advice and counsel of the principal or superintendent.

Classroom teachers may not leave their classrooms unless the students are supervised by a competent adult.

Classroom teachers should have a well-defined discipline plan or social contract that is known to the students. Rules and consequences should be stated clearly and posted where appropriate.

Each building has its own specific procedures concerning student discipline. Classroom teachers should consult with their building principal for more information.

Teachers may remove a student from the classroom for failure to comply with established rules of conduct. Only an administrator can suspend or expel

students from class or school and due process must be followed.

Both elementary and secondary certified staff are responsible for assisting with hallway discipline between classes and in the school lunchroom.

Classes should begin on time and end promptly. Work should continue throughout the period assigned for it. Classroom teachers have no right to waste the pupils' time. Classroom teachers may not dismiss classes early except by permission of the building principal.

Staff members may never send a student off school grounds without with the authorization of the building principal.

Classroom Sanitation

1. Handling of Body Fluids

All body fluids of all persons should be considered to potentially contain infectious agents (germs). Hand washing after contact with a school child is recommended if physical contact has been made with any child's blood or body fluids. The term "body fluids" includes: blood, semen, drainage from scrapes and cuts, tears, feces, urine, vomit, respiratory secretions and saliva.

2 Infectious Diseases

Certified staff should promptly report any indication of an infectious or contagious disease to the school nurse or building principal. Certified staff should report to the school nurse or the student's parents any pupil whom they suspect of having been exposed to any infectious or contagious disease.

Coaching Supplies

Coaching supplies will be distributed by the athletic director. Such items include tape, prewrap, heel pads, band aids, ankle braces, game balls, etc. Coaches should request additional supplies from the activities directory only when they have run out of supplies.

Coaches must fill out and submit inventory forms to the activities director immediately after the season is complete.

Community Involvement

Certified staff are encouraged to take part in the events in the community.

Computer Lab

Students and staff who use computers owned by the district must abide by the district's acceptable use policies. Students may use the computer lab during lunch and after school. Classroom teachers may not send students to the computer lab during study halls or class unless they have made prior arrangements with the lab coordinator.

Classroom teachers who wish to bring classes to the computer lab must sign up as far in advance as possible with the lab coordinator. Absolutely no food or drink is allowed in the computer lab.

Disclosure of Staff Qualifications

The No Child Left Behind Act of 2001 gives parents/guardians the right to obtain information about the professional qualifications of their child's classroom teachers. The District designates the following information as "directory information" and will give parents/guardians such information upon request:

- Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under an emergency or provisional teaching certificate.
- The baccalaureate degree major of the teacher, along with information about other graduate certification or degrees held by the teacher, and the field of discipline of the certification or degree.
- Whether the parent/guardian's child has been assigned, or has been taught for four or more consecutive weeks, by a teacher who does not meet the requirements of the NCLB.

Display of Classroom Work in the School and the Community

Classroom teachers are encouraged to display student work for public viewing. Students and parents enjoy viewing the display and may be even more supportive of their school because the display shows them many of the things the students do. Classroom teachers may use the window area of the central office or the commons area to display student work or they may use during a night activity. Certified staff must contact the principal before displaying student work at an evening activity.

Duties of Certified Staff

The duties of certified staff include, but are not limited to, the following:

- a) Becoming acquainted with board policies, district rules and regulations, and the state laws concerning teachers and pupils.
- b) Attending such education conferences as are required by law or administrative directives.

Eligibility Grades 7-12

Student academic eligibility for participation in extra-curricular activities will be determined on a weekly basis. A student will become ineligible based on the NSSA rules or by maintaining an average of less than seventy percent (70%) in four or more classes weekly.

Extracurricular Activities

Classified staff must schedule all events and other extracurricular activities at the activity director's office to avoid conflicts. Activities must be put on the school calendar located in the activity director's office at least one week before the activity. Staff should avoid or shorten practices and activities on Wednesday evenings and Sundays, in order to give students sufficient time away from school for family-related activities.

Certain activities require time be scheduled outside regular school hours. Any school sponsored activity involving students must have approval of the principal prior to the activity, including all fund raising activities.

Regular classroom work in all grades will have precedence over any other activity. Students will not be dismissed from classes to participate in extra-curricular activities without permission from the principal. Make up slips must be completely signed and returned to the sponsor of the activity prior to dismissal from class. All evening activities, except practices, must have no less than two school sponsors. Non school sponsors must be approved by the administration. If cars are used for transportation, the drivers must be adults who have been approved by the school.

The activities director has the responsibility for all activities. Therefore, any ruling or handbook decision he/she makes will be school regulation in lieu of further board action.

No student may participate in a field trip off school property without written permission of his or her parent or guardian.

Evacuations

Early in the semester, classroom teachers should review instructions for leaving the classroom with all of their students. Classroom teachers should also periodically review with each class what to do in case of fire, tornado or other emergency.

1. Fire Drills

Fire drills will be held on a regular basis. Certified staff may or may not be

notified in advance. These drills are important exercises that help insure the safety of students in case of an emergency.

When the fire alarm is sounded, all students and staff must cease the activity in which they are engaged immediately and leave the building at once, following these regulations:

- a) The classroom teacher will be the last to leave the room. He or she will turn out all lights and close the door as he or she leaves.
- b) Classroom teachers will take their fire drill packets and class grade books with them when they leave their classrooms.
- c) The first two students reaching the exit doors will hold the doors wide open until everyone has filed out.
- d) Staff and students will move far enough away from the building to avoid possible injury from fire and falling embers, and also, to remain clear of emergency vehicle traffic.
- e) Once outside, each teacher must account for every student in the class. Classroom teachers will take roll for their class and;
 - 1) hold up a Green Card (all students accounted for)
 - 2) hold up a Red Card (missing student (s) listed)
 - 3) hold up a Yellow Card (extra students listed)

The signal to return to the school building will be approved by an administrator. Students will return in an orderly manner.

2. Tornado Drills

When a tornado warning has been issued, the school will evacuate classrooms and move students to the designated areas of the building. Tornado alerts will be given by the bells ringing constantly. When a tornado alert is given, all students and staff must cease the activity in which they are engaged immediately and leave the building at once, following these regulations:

- a) All K-6 students and staff should proceed to the "pit". All 7-12 students should proceed to the Mrs. Schmedding's computer room.
- b) Once in the designated area, each teacher must account for every student in the class.
- c) Classroom teachers should be sure that each student is sitting with his or her back to the wall as much as possible.

3. Protocol for all Evacuations

Upon evacuation signals, all students and staff must exit each building. Classroom teachers should do the following:

- 1) Take the class roster;
- 2) Lock the classroom door after all occupants have exited the room;

- 3) Keep the class together and move promptly in an orderly fashion; and
- 4) Upon arriving at the evacuation point, take roll, maintain order, and supervise students.

Evaluations

The appropriate district administrator will evaluate tenured and probationary teachers as required by law and district policy. Additional evaluations, both formal and informal, may be conducted as the district administration deems appropriate. Copies of the district's evaluation forms are contained at the end of this handbook.

Faculty Meetings

The superintendent and principals will call meetings as needed. Certified staff are required to be present at all faculty meetings unless excused by the administration.

Field Trip Request Forms

Certified staff who wish to take students off school property must submit a request to the superintendent at least ten calendar days prior to the date of the requested activity.

Elementary grades will be limited to one field trip per year. Additional requests may be granted on a case by case basis.

Grading Policy

Grades are given as letter or percentage as requested by the building principal.

A student is to be graded on academic performance. **A student's grade is not to be reduced for discipline.** Prejudice or favoritism has no place in grading a student. All grading should be explained in simple, understandable terms to the student.

Classroom teachers should provide students and parents with frequent updates regarding the student's progress during the quarter. At the conclusion of each quarter, students will receive an end-of-quarter report card. Classroom teachers should use the following symbols for each subject area:

Students will receive letter grades for their academic classes.
The Walthill Public School grading system is as follows:

A- Excellent	93% - 100%
B- Above Average	85% - 92%
C- Average	77% - 84%
D- Below Average	70% - 76%
F- Failing (no credit)	69% - 0%

Guest Lectures

Guest lecturers must be approved by the administration before they are asked to address a class. The guest lecturer must have a specific, relatable objective in his/her lecture.

Hall Duty

Every classroom teacher is on hall duty before school in the morning and between classes. Classroom teachers are responsible especially for the part of the hall adjacent to their classrooms.

Homework Policy

Homework is an important part of student learning. When parents, teachers and students work together, out-of-class assignments are a valuable part of the instructional program. Homework should provide opportunities for students to practice acquired skills, develop initiative, form independent study habits, and use community resources.

Instructional Materials

Instructional materials are made available through the Education Service Unit. A catalog and order forms will be made available to all members. Films should be used as instructional materials. All media must be previewed for suitability by the classroom teacher before being shown to students.

Lesson Plans

Each teacher will prepare and complete a proper lesson plan on Friday for the following week. These plans must be written so that they are clear to any substitute teacher and readily available to any teacher. An up-to-date seating chart of the class or classes shall be part of the lesson plan book. Other regulations relative to lesson plans will be made by individual building principals. The lesson plans of all classroom teachers are subject to review of the building principal or other members of the school district's administration at any time.

Lesson plans must **identify major instructional objectives and show page assignments and general direction that might be followed by anyone who might be called upon to teach the classes.**

Lesson plans for the upcoming week must be submitted by 4:00 p.m. on Friday of each week or the last day of the week if it ends earlier.

Media Center

The media center is set up to serve the needs of certified staff and students. Certified staff who need assistance with textbooks, literature sets, magazines and other reference materials should consult with the media specialist assigned to their building.

Students may use the media center during study halls, at lunch, after school and in the evenings. Classroom teachers may send individual students to use the media center during class time, but should contact the media staff before sending a group of students during class. The media staff may send disruptive students back to class or study hall, or may exclude unruly students from the media center for a specified period of time. Classroom teachers who send their entire class to the media center must accompany and supervise the students, unless prior arrangements have been made with the media specialist.

Audiovisual materials are available to certified staff through the media center. Certified staff may obtain these materials by filling out the required requisition form and sending it to the media specialist in their building. When certified staff return media, they should complete the film report card and return it to the media specialist.

Parent-Teacher Communication

Students' academic success has been closely linked to parental involvement in school. Certified staff should strive to develop open and supportive relationships with parents and guardians. Each classroom teacher is responsible for keeping a student's parents informed about the student's progress. This may be done by letter, telephone, e-mail or personal conference. Certified staff must attend parent teacher conferences, promptly return phone calls, participate in teacher events for students and parents, and utilize a planner where necessary as a communication tool. Certified staff who need additional support in communicating with parents should contact their building principal or guidance counselor.

Parking

Staff members have the North and West parking lots reserved for them.

Parties

1. No activities or picnics shall be held by an organization of the school without the presence of the sponsor or sponsors.
2. The number of activities and the closing hour for activities will be determined by the building principal and organization sponsor.
3. In making arrangements for activities and picnics, staff must avoid disturbing the routine of the school.
4. Cleaning up after the activity is the responsibility of the sponsor.

Planning Time

Each classroom teacher is provided with duty-free time for planning, preparation of school-related materials, and a brief respite from the duties of the day.

The Board defines planning time as time for educational planning and other task-related functions that cannot normally be accomplished during instructional periods. Planning time should not be confused with personal time. **Planning time is not to be used for running personal errands, conducting personal business, or pursuing non school hobbies and/or interests.**

GO EDU

All teachers/classroom aides will be required to use Go EDU. Attendance will be taken as follows: Elementary – at the beginning of the morning, and right after lunch; and Secondary – at the beginning of every period. Attendance must be taken within the first five minutes of each period / beginning session. Lunch count will also be taken with Go EDU.

Certified staff who have trouble/problems with Go EDU, should contact their Principal.

Pupils' Records

1. Each classroom teacher must keep a set of records of the class recitations, tests, exams, daily work, notebook, etc. This serves as a

- justification of the final grade in case of dispute between teacher and pupil, or teacher and parent, and assists in making out the final grades.
2. Report cards will be issued within one week following the end of the quarter unless otherwise announced.
 - a) Each classroom teacher should be adequately prepared to defend all decisions given on the report card.
 - b) Classroom teachers must confer with the principal before recording any incomplete, failing, or conditional grades on report cards.

Rights of Certified and Probationary Teachers

Certified and probationary teachers are entitled to the legal and procedural rights outlined in the board policies and state and federal law with regard to the amendment, cancellation, or termination of the teacher's employment contract. For specific questions relating to those procedural or legal rights, please refer to the district's board policies.

School Day

All certified staff must be at school or on duty between the hours of 7:40 a.m. and 3:40 p.m., Monday through Friday. On Fridays and days preceding certain holidays or vacation periods, certified staff are permitted to leave after the students are dismissed. Under special circumstances, certified staff may seek permission from their building principal to vary these duty hours. In addition, certified staff may be assigned responsibilities at other hours by the principal or superintendent for supervising or directing school activities or affairs or for participation in affairs under the direct sponsorship of the school.

Each teacher will be in his or her classroom and ready to teach at 7:40 a.m. each day. Classroom teachers will stand at their doors when class is dismissed and must be outside their classroom doors before each class period. Classroom teachers must be physically present in their classrooms at all times during class periods and conference periods.

Personal work may not be done on school time.

Sponsors

Certified staff members are assigned by the superintendent as class and club sponsors. Sponsors must be present at all meetings and activities of the sponsored group. The procedure for activity accounts and meetings can be found in the student manual. Purchasing of supplies must be approved by the Superintendent.

Student Activities

Staff members who sponsor extracurricular activities such as athletics, class plays and class activities may leave the school building only after making sure that all students and other individuals have left the building. No student is to be left unattended in the school building at any time.

School-owned clothing or equipment that is checked out to students, remains the property of the school. The clothing or equipment is not to be used or worn by the student except for its intended use. Each piece of equipment or clothing is to be returned to the instructor or coach when the season or the use for such clothing or equipment is over. Certified staff will be held responsible for clothing and equipment that is not returned.

Student aides are to be directly supervised by the certified staff member and are not to leave the building or be in the halls or anywhere they are not being supervised. Student aides are not to be used to assist the certified staff member by helping supervise another student, grade tests or class work, calculate student grades or record grades. Keys are NEVER to be given to students, whether they are student aides or not. A student aide should not be present and assisting a certified staff member without another adult present after the end of regular teacher duty hours.

Student Attendance

Students are expected to arrive at each class, be seated and ready for instruction prior to the beginning of the class day or class period, as appropriate. Student tardiness is the classroom teacher's professional responsibility.

Each teacher must maintain an accurate record of student attendance each day. Classroom teachers must carefully check and record attendance information at the beginning of each school day and, in upper grades, at the beginning of each period. Students are not permitted to check attendance. Excessive absenteeism should be reported to the building principal.

Students returning from an absence must report to the office prior to going to class. A returning absentee must show each classroom teacher the admittance pass that was issued by the school office. No student should be accepted back into class after an absence without this pass.

A student who departs school during the school day must report to the office and sign out before leaving the building. A student who returns during the school day must sign in at the building office before returning to class.

Student Illness

In the event of student illness or injury, classroom teachers should notify the building principal or superintendent immediately. Staff should never send a pupil home without notifying school officials and checking to see if his/her parents are home.

Student Medication

No staff members other than the school nurse may dispense medications (prescription or over-the-counter) to students at any time.

Student Searches

Certified staff members may not search students or their belongings. If a staff member suspects that a student is in possession of contraband, he/she should immediately contact a member of the administration and supervise the student until the administrator arrives. Students who are suspected of having an item in violation of school rules may be directed to wait with a staff member.

Substitute Teaching During Planning Period

Certified staff may be required to substitute during their planning period and reimbursed \$15.

- The issues discussed must be relevant to the curriculum and be part of a planned educational program.
- Students must have free access to appropriate materials and information for analysis and evaluation of the issues.
- The teacher must encourage students to consider and discuss a variety of viewpoints.
- The topic and materials used must be within the range, knowledge, maturity, and competence of the students.
- The teacher must inform parents and the building principal before discussing sensitive or controversial issues.
- The teacher must keep detailed, documentary evidence to prove that both sides and/or all facts available were presented.
- Teachers must refrain from advocating partisan causes, sectarian religious views, or selfish propaganda kind through any classroom or a

school device; however, a teacher shall not be prohibited from expressing a personal opinion as long as the student is encouraged to reach his/her own decision independently.

Textbooks

Classroom teachers will issue textbooks to the pupils, keeping a record of the number and condition of the book assigned to each pupil. If the books are new, classroom teachers must make sure the books are stamped and numbered before distribution.

Textbooks are to be stored in the classroom or storeroom. Textbooks are to be checked out to the students with teachers keeping an accurate record of each book by number in the place provided in grade books. Pupils are to pay for lost or damaged books. Student textbooks must be covered with a book cover.

Workbooks do not become the property of the students and in most cases should be retained by the school.
